Subject: 3/5/12 UPDATE Dimock - Data Project Team Final Review for Week #2 Data Rollout

Hi Cindy and Fred -

Thanks for all the follow-up responses that you sent over the last week.

Ex. 4 - CBI has attached a spreadsheet which identifies where we stand in terms of the data review.

As I did with Week #1, I used **Ex. 4 - CBI** chart to help identify the specific e-mails from **Ex. 4 - CBI** where we need a follow-up from you to "close the loop" so that the data may be considered FINAL. I had hoped to send this summary to you earlier today - but was not able to get to it. I am hoping to be able to resolve any outstanding issues tomorrow so that we can provide the final data to our tox for review. We are committed to providing the data to residents next week.

Please feel free to call me with any questions.

Thanks again - Kelley
